Your commitment to opening relations with Cuba and working with Iran to eliminate their nuclear program illustrates your courageous vision for a world where diplomacy has a seat at the table of peace.

Since its inception in 1981, no President, Democratic or Republican, has officially recognized the United Nations International Day of Peace. This is your opportunity to inspire the American people to celebrate the idea that peace can be more than a universal hope. This single day is meant to be a seed that can be planted within all hearts, citizens of the United States and global citizens alike, to nurture this most basic of human rights.
