**Re: (1) 2016 United Nations International Day of Peace, Request to Recognize;
(2) Promote World Peace for The Benefit of the USA.**

Dear Mr. President,

Throughout your Presidency, you have honored your promise to listen to and dialogue with all world leaders, including those with different governing structures and ideological backgrounds. Your commitment to opening relations with Cuba and working with Iran to eliminate their nuclear program illustrates your courageous vision for a world where diplomacy has a seat at the table of peace.

As a Nobel Peace Prize recipient, we, the Western Buddhism World United Association (WBWUA), humbly request that you enhance your Nobel legacy, becoming the first President of the United States by officially recognize the United Nations International Day of Peace celebrated annually on September 21st, and promoting the Guang Huan Mi Zong (GHMZ) Esoteric Health Dharma Program which could truly benefit people, including world peace.

You will be interested in knowing that on September 21 2015, one billion people across the world celebrated the United Nations International Day of Peace! The people have spoken but governments have not responded. It is highly possible that the lack of response is caused by having no proper answer on how to contribute to world peace.

Since the first day of its establishment, WBWUA, a charitable organization, strives to achieve an ideal state of Human Health, World Peace and Religious Harmony by promoting global health and wholeness from a Buddhism perspective. We believe practicing the GHMZ Esoteric Health Dharma Program is the best way to achieve world peace. This unique health technique was created by Holy Master Ziguang Shang Shi. In the last three decades, millions of people have proven that GHMZ dharma technique has significant effects upon eliminating physical and mental diseases, attaining balance and inner peace, developing spiritual enlightenment, and more. Over 80% of practioners can dramatically relieve or even recover from various kinds of illnesses including cancers, heart diseases, hypertension, diabetes, stroke, headache, rhinitis, arthritis, depression, and Parkinson's disease and more. Through practicing GHMZ Esoteric Health Dharma, peace and health can be regained.
